

## US Export Compliance - ITAR & EAR Regulations Commodity Export Classification Certificate

The form is self-explanatory

Subject: Request for Supplier's Information about United States Export Control Classifications within product assemblies.

Astute Electronics Limited, before generating any purchase order, requires that this "Commodity Export Classification Certificate" be completed by the Supplier / Subcontractor; in order to assess the US ML or ECCN export control classifications of a supplier's product(s) specific to the US ITAR and EAR legislation which governs subsequent export and any re-exports affecting the procured / subcontracted products and / or their components. In filling this form, the Supplier / Subcontractor warrants that the information provided to the Purchaser is true and accurate at this time and shall notify Astute Electronics Limited of any change in classification that becomes known by the supplier to such products by written notice to Astute Electronics Limited.
